**THE ORGANIZATION**

The Florence Project was founded in 1989 to respond to a representation crisis for indigent non-citizens detained at the rural Immigration and Customs Enforcement (ICE) Detention Center in Florence, Arizona. Through our programs today, we provide services to the more than 4,000 men, women, and children detained in Eloy, Florence, Phoenix, and Tucson, Arizona on any given day. The Florence Project is nationally known for its high quality legal and social services that ensure that detained people are empowered and have access to justice and supports initiatives for national changes in immigration law and policy.

Our Integrated Social Services program is one of the few in the U.S. to collaborate with immigration attorneys in educating, empowering, and providing social service assistance to unaccompanied immigrant children awaiting deportation hearings. The program is an innovative and promising practice, providing supportive services to immigrant children. Many children served are held in shelters, group homes, or long-term foster care overseen by the Office of Refugee Resettlement (ORR).
